### USER DECLARATION

With this declaration, I,

.....

..... (name and affiliation), declare that I shall use the manuscript copies given at my disposal only for scholarly purposes and publications and not for any commercial activities. Since I am aware that the permission for making the copies kept in the Digital Archives “Bulgarian Manuscript Books”, Faculty of Slavic Philologies, Sofia University (called here Digital Archives) is a subject of a prior agreement between the Rila Monastery and the Digital Archives, I shall acknowledge both the Digital Archives and the Rila Monastery in any publication (in hard copy or electronic form) which may result from my work with the digital copies of the Rila Monastery manuscripts. Also, I shall send to the Digital Archives a copy (if possible two copies) of my publication resulting from my work with the digital copies of Rila Monastery manuscripts and in case this is not possible, I shall send at least the bibliographical reference of my publication.

If I plan to make an edition (critical, diplomatic, or facsimile) of a whole manuscript or of part of it, I am aware that I have to approach the abbot (hegumenos) of the Rila Monastery for permission for making an edition.

I am aware that the failure of observing the aforementioned conditions for the use of the Digital Archives will be treated as an offense of the copy right law.

I used copies of the following manuscripts: (please enumerate the call numbers (signatures) of the manuscripts according to E. Sprostranov’s catalog):
